

◆ DRESS CODE ◆

It is the policy of Mary Queen of Saints Academy to have a dress code that reflects the attitude of respect. The way we dress reflects our respect for ourselves, for our school community, and for the educational goals of our school. Cooperation in wearing a uniform encourages responsibility and self-discipline on the part of the student. It is the Parent's responsibility to ensure the uniform policy is followed so that class time is not taken for teachers to remind and enforce. All students are expected to be neat, clean, and appropriately dressed for their learning environment.
